

Now for a **limited time** the new **CapTel 800** is available for just **\$99!***

Benefits:

- Calls you make are automatically connected to a Captioning Service to provide captions.
- Incoming callers dial the Captioning Service first, then enter your phone number in order for you to get captions.
- Large, easy-to-read captions window with adjustable font sizes and colors.
- Display screen tilts for comfortable reading or lies flat to mount the phone on a wall.
- Adjustable volume control (up to 40dB gain) for captioned calls. Volume button is easy to see and adjust during a call.
- One-touch access to *CapTel* Customer Service (Speed Dial button automatically connects you to *CapTel* help line – available during standard business hours).
- Easy-to-follow menu system with Yes/No questions.
- Phone Book allows you to easily store and dial more than 95 names/phone numbers.
- Speed Dial keys for one-touch dialing of frequently called numbers.
- OPTIONAL - Can also be used with 2 telephone lines to allow callers to dial your telephone number directly instead of calling through the Captioning Service.

CapTel works with a free Captioning Service to provide captions.

Requirements:

- Analog telephone line(s). DSL supported if appropriate filter in place. Not compatible with PBX systems unless an analog port is available. Not designed for use with digital cable or VOIP telephone services.**
- Standard electrical power

* Limited time offer available to individuals in participating states only. Does not apply to business purchases. Limit one per household.

** People who use digital cable or VOIP telephone service should consider the CapTel 800i which supports these options.
