

Combines the convenience of a telephone with the text capabilities of the Internet, showing you helpful captions during your phone conversations.

Benefits:

- Captions appear automatically on all calls – incoming and outgoing. No need for callers to dial through the Captioning Service.
- Captions can be turned on or off at any time in a call.
- Large, easy-to-read captions window with adjustable font sizes and colors.
- Display screen tilts for comfortable reading or lies flat to mount the phone on a wall.
- Adjustable volume control (up to 40dB gain) for captioned calls. Volume button is easy to see and adjust during a call.
- One-touch access to *CapTel* Customer Service (speed dial button automatically connects you to *CapTel* help line).
- Easy-to-follow menu system with Yes/No questions.
- Phone Book allows you to easily store and dial more than 95 names/phone numbers.
- Speed dial keys for one-touch dialing of frequently called numbers.
- Caller-ID capable – shows you who is calling directly on *CapTel* display screen.

Requires:

- High-speed Internet access*
- Telephone service
- Standard electrical power

* Depending on the set up, a Router may also be required to connect more than one device to your Internet.
