What is domestic violence and sexual violence?

National Domestic Abuse Hotline, www.thehotline.org, describe domestic violence as follows: "Domestic violence includes behaviors that physically harm, arouse fear, prevent a partner from doing what they wish or force them to behave in ways they do not want. It includes the use of physical and sexual violence, threats and intimidation, emotional abuse and economic deprivation. Many of these different forms of domestic violence/abuse can be occurring at any one time within the same intimate relationship." For Deaf, Deaf-Blind and Hard of Hearing, the controlling partner may hide or break your hearing aids, video phone or cell phone to keep their partner dependent on them and cut off from the outside world.

DeafHope advocates compiled information from interviews with Deaf survivors of domestic violence and made the Deaf Power and Control wheel shown below:
